Personal Brand Messaging for PR Leaders: From Messy to Magnetic

As senior communications leaders, we spend time boosting the brand of everyone but ourselves.

Let's talk about how to turn that around.

Join me on **Monday, Nov. 14 at 9 a.m.** for a private conversation and your favorite morning beverage (on me!) **to share tips and ideas about how to recession-proof ourselves, our companies and our clients** with messaging tactics that highlight the value of our work and strengthen our position as the trusted advisor organizations need.

I look forward to seeing you there!
